

## VMS School Uniform Information

**UNIFORMS** – It happens every year in every school: parents try to get a jump on things and purchase uniforms ahead of time, purchasing the incorrect shoes or sneakers, and then have to go out and purchase the correct ones. That’s unfortunate anytime, but with the economy as it is, I don’t think anyone has extra money to spend on “mistakes.” P.E. Uniforms are purchased from the School Office (order form is available on RenWeb and on our school website). Here are the additional requirements:

**EC3-Grade 2 are permitted to wear Velcro Shoes**

**PE Sneakers (all grades)** no mid-top or high-top sneakers. **All Black** (black soles, logos, laces, etc.).

**SOCKS** are to be black or navy blue that cover the ankles, up to crew length; no white socks, no “No-Shows”, no logos.

**2022-2023** is a year of “transition.” If your child has uniforms that still fit appropriately from last year, they may still wear them, but last year’s uniform items that are no longer part of our uniform requirements will not be sold at Educational Outfitters and are being phased out.
